County, Michigan, always celebrating 40 years of Motown, the Kung Fu Dieselites deliver the guts and soul of a better place. Real, grinding, heart & soul R&B rockout songs, for the party-dogs who don't puke. Conan, Bob and Jason are my sonic bombast Blood Brothers. These guys are authentic. Buy their CD and jam.

How does this site work?

What is planetJAM and how does it work?

planetJAM is your interactive journey to the best in emerging music. Here you won't find just anybody's music. Here you find **only the best in emerging talent**. This is music you are likely to hear on the radio in months to come. On planetJAM, we screen all our music to guarantee that it is of the highest quality. All our bands are real working bands that are working hard to break into the mainstream. The best part about planetJAM is that you get to help these artists become stars by supporting their music.

Because we respect your time and effort, we reward you for activity on the site. Once you sign up as a free member, you will see point indicators next to various things you can do on the site. Every time you stream or download a song, post a review, or drop an e-mail to friend, you earn points in your planetJAM account. You then use these points to bid on cool prizes in our auction area. It's really easy and totally fun.

Most of planetJAM is free. The free areas include all the streaming music, community boards, editorial, tour date info, most auctions, and e-mail features. Because we believe that musical artists are entitled to make money for their work, we offer the opportunity to upgrade your membership to "All Access" status. A nominal cover charge awards you unlimited access to fully legal mp3's (\$20 for six months of all access), makes you eligible to bid and win in exclusive "all access member only" premium auctions, and allows you to collect points more rapidly. To help support the artists, 51% of the total cover charge collection is given back to the artists in the form of royalty payments.

By interacting with the music, artist, and content on the site. Get all the details on collecting points and check out the points terms and conditions for complete rules.

3. **What are the "M" and "A" beside each auction?**
If an auction is designated with an "M", all members including all access members are eligible to bid. If an auction is designated with an "A", only all access members are eligible to bid in the exclusive auction

4. **How do I place a bid?**
Simply choose an auction you are interested in bidding on. Be sure that you are logged in to planETJAM so that you have access to the points you have collected. Enter a bid between the "minimum" and "maximum" bid increment. Then simply hit the "place bid" button. If you do not have enough points to place a minimum bid, you will be prompted to collect more points before the bid can be accepted.

5. **What is overtime?**
When an auction reaches its closing time, the auction will remain open if there is active bidding. This allows everyone who wishes to place a bid to do so. The auction will continue until there are no active bids for a set time. Overtime is very much like an auctioneer yelling going...going...gone at the end of a traditional auction. It creates a fair experience for everyone who wishes to participate in the auction rather than the person who sneaks in a bid at the last minute winning with no one else being able to bid.

6. **I just won an auction...how do I get my prize?**
You will receive your prize 4-6 weeks from the closing of the auction. planETJAM ships the good directly to you at no cost.

should you employ to maximize your power rating and the opportunity to earn even more income? Here are a few tips.

1. **Notify your fans!**- If you have a mailing list and/or an email list, activating your fan base will obviously drive your power rating up as they stream and download your music. They can also give you direct credit for their registration which counts also.
2. **Register your tour dates**- Registering your tour dates in the planETJAM event calendar raises your power ranking. You may email contactus@planetjam.com if you don't already have your username and password
3. **Strategically release new tracks**- Give your fanbase something new to come back for! Whether prereleasing a track for a new release or simply licensing more material off your current product, giving fans a reason to come back will increase your streams and downloads. Contact the A&R office if you have new material to release.
4. **Partner with planETJAM.com at your live shows**- Masses of music fans come to see live music, so why not tell them where they can find the digital downloads that earn you income, not to mention your ability to get customer finder's fees when they register?
5. **Keep your presence on planETJAM.com "fresh"**- Whether it be "diaries from the road" or live show pictures, let us help keep new faces interested in your music and sustain your power rating.
